

Priority FNRPA Grant Request

If an immediate or unforeseen request for funding from the Federal Natural Resource Policy Account (FNPRPA) becomes apparent, the Governor's Office may grant such organizations funding based on completion and acceptance of this "FNRPA Bi-Annual Grant Request Exception." Please fill out the form below and follow the directions on the following page.

Grant Request:		
Date of Application:		
Legal Name of Organization Applying:		
Date Founded:		
If you are currently receiving funding from any other private or public entity, please identify them and the amount of the funding: (Attach separate sheet if necessary)

1. MAIL IN THE FORM

Please mail the form on the previous page to:

Governor's Office
c/o FNRPA Designee
State Capitol, Room 124
Cheyenne, WY 82002

2. CALL THE GOVERNOR'S OFFICE

Call the Governor's Office to let them know that they can expect to receive an "FNRPA Bi-Annual Grant Request Exception." Please call (307) 777-7434.

3. GET AN APPOINTMENT

The Governor's Office will call you when the application arrives and set up an appointment in which you will meet with the FNRPA staff within the Governor's Office. An interview process will take place in lieu of the standard application process to determine the need for grant funding.
